THE ABRAMOVIĆ EXPERIENCE

_ A WORKSHOP BY MASCAS _

Marina Abramović is a Yugoslavia-born performance artist. Her work and exercises explore the relationship between performer and audience, the limits of the body and the possibilities of the mind.

MASCAS has their own flavour of bringing ten exercises to you. The exercises will be focused on space, consciousness, duration, expression, silence and will be held in a safe environment, without going into extremes.

MASCAS disrupts our routinely lives. Empties our overfilled minds. Invites you to stand still and experience something unexpected. A chance to rediscover you being human. And to re-establish true connection.

After our first edition in nature, we are moving this workshop to a unique location in the center of Rotterdam, which will be revealed after registration. Group size is maximum 12 per edition. For questions: info@mascas.nu.

See you soon,

MASCAS
